4. Make modifications or accommodations for students with disabilities, English Learners, etc
  - a. Refer to [Pre-K - 2nd Grade](#) Supports and Accommodations
  - b. May customize or highlight PK-2 AMI Arkansas Learning Guides with recommendations for specific students if needed.
5. Teachers focus on:
  - a. Students that may need more support at this time
6. Determine how the Customize Self Reporting Form will be used. Don't forget to customize.
7. District or school should then follow your distribution plan.

### ***Keep this simple.***

The learning opportunities within the Arkansas AMI are intended to provide support for you and your students.

Keep it simple. This should eliminate the need for teachers to create multiple lesson plans, and reduce stress for all involved.
