

Hello [],

Hear from Arkansans like you about their COVID-19 experiences. From personal stories to commonly asked questions, we want to help share COVID-19 vaccine information for and about Arkansans through our partnership with Arkansas PBS.

Visit myarkpbs.org/vaccine to hear from your Arkansas neighbors about why it's important to get the COVID-19 vaccine. Watch their stories, and see why they chose to get the vaccine. Learn from local physicians about why getting the vaccine is important. And, find more information about the vaccine and how to get one.

You can also watch videos from Arkansas PBS at bit.ly/vaccineplaylist.

We hope you'll find this informative, and, if you do, please forward to your friends and family.

If you have any questions, please contact me/us or communications@myarkansaspbs.org.

Thank you,
