Directions:

1. Write 3-5 choices that you can do to help out at home.

2. Look up the Spanish word for each word, and then write the Spanish word on the line that says " Example: I will clean my room."

3. Cut each strip out. You now have the bristles for your broom.

4. Assemble your broom by taping the bristles together and then taping the bristles to a straw.

The finished activity will look something like this:

I can help!
