

Peppa  
and  
Emmy's  
Big

Adventure

I have a new Pug  
puppy named Peppa.

One day we went on  
a long walk.

We made it to  
St. Louis and saw  
the Arch.

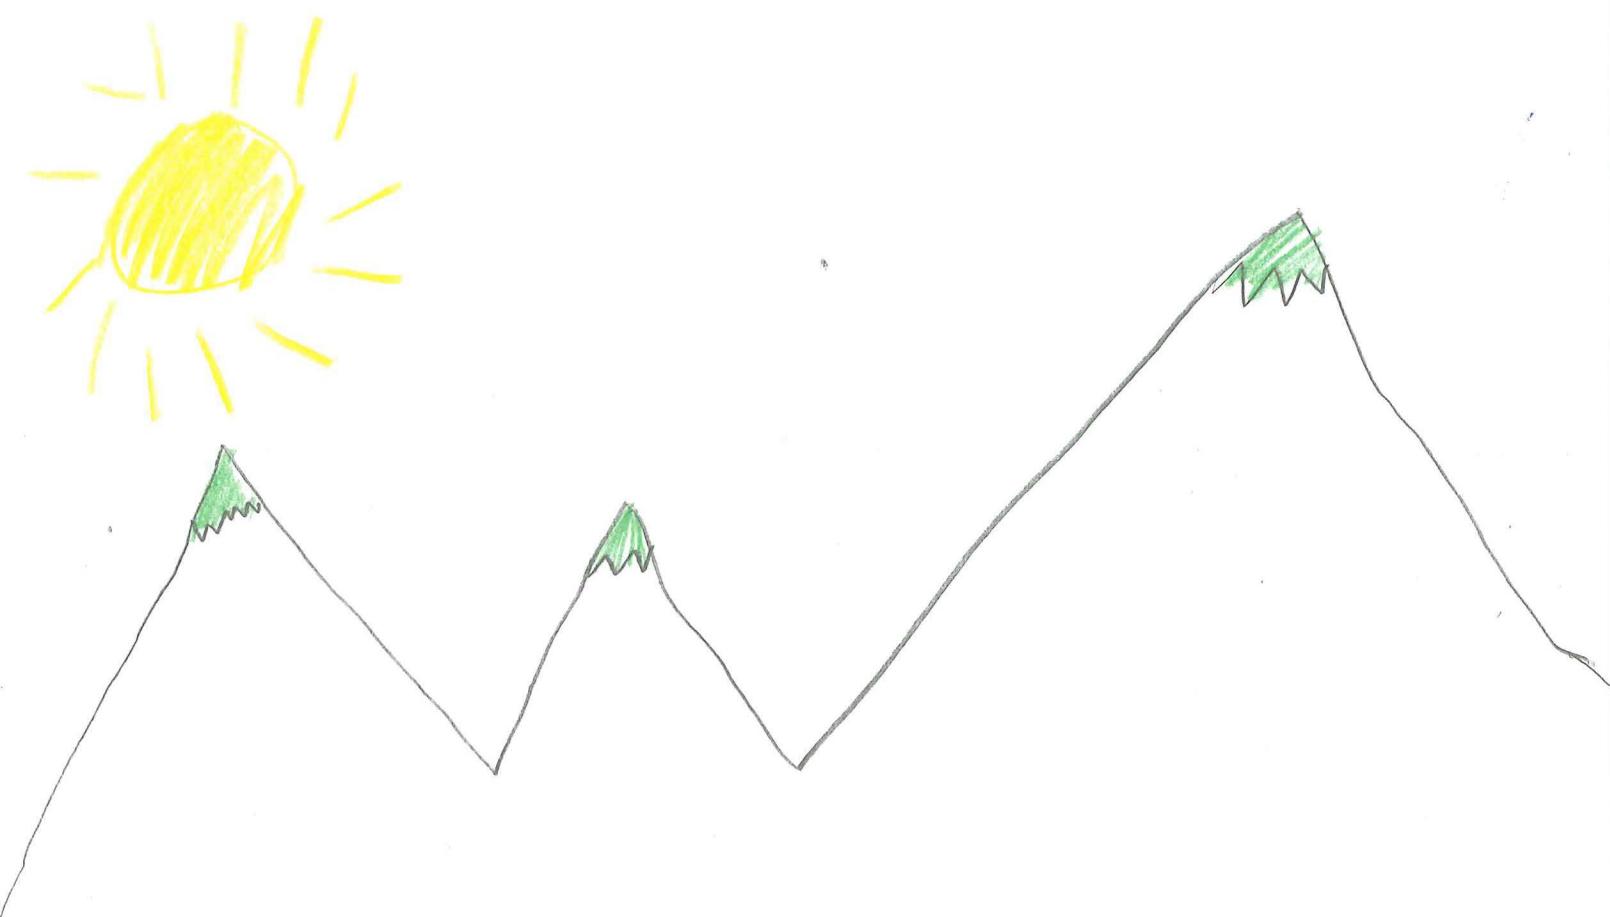

We walked on to  
Nashville and saw  
the Grand Ole  
DPrY.

Next up were the  
Smoky Mountains.

They were very big.

We kept walking  
and saw the White  
House in Washington  
D.C.

Next we walked by  
the Liberty Bell in  
Philadelphia.

In New York City  
we saw the Statue  
of Liberty.

We saw the sun go down  
at the beach.

Peppa loved to  
chase the birds.

It was dark  
when we made it  
home. We were both  
tired!
