

# The Droid and the Giant Space Worm

By Eli  
Smith

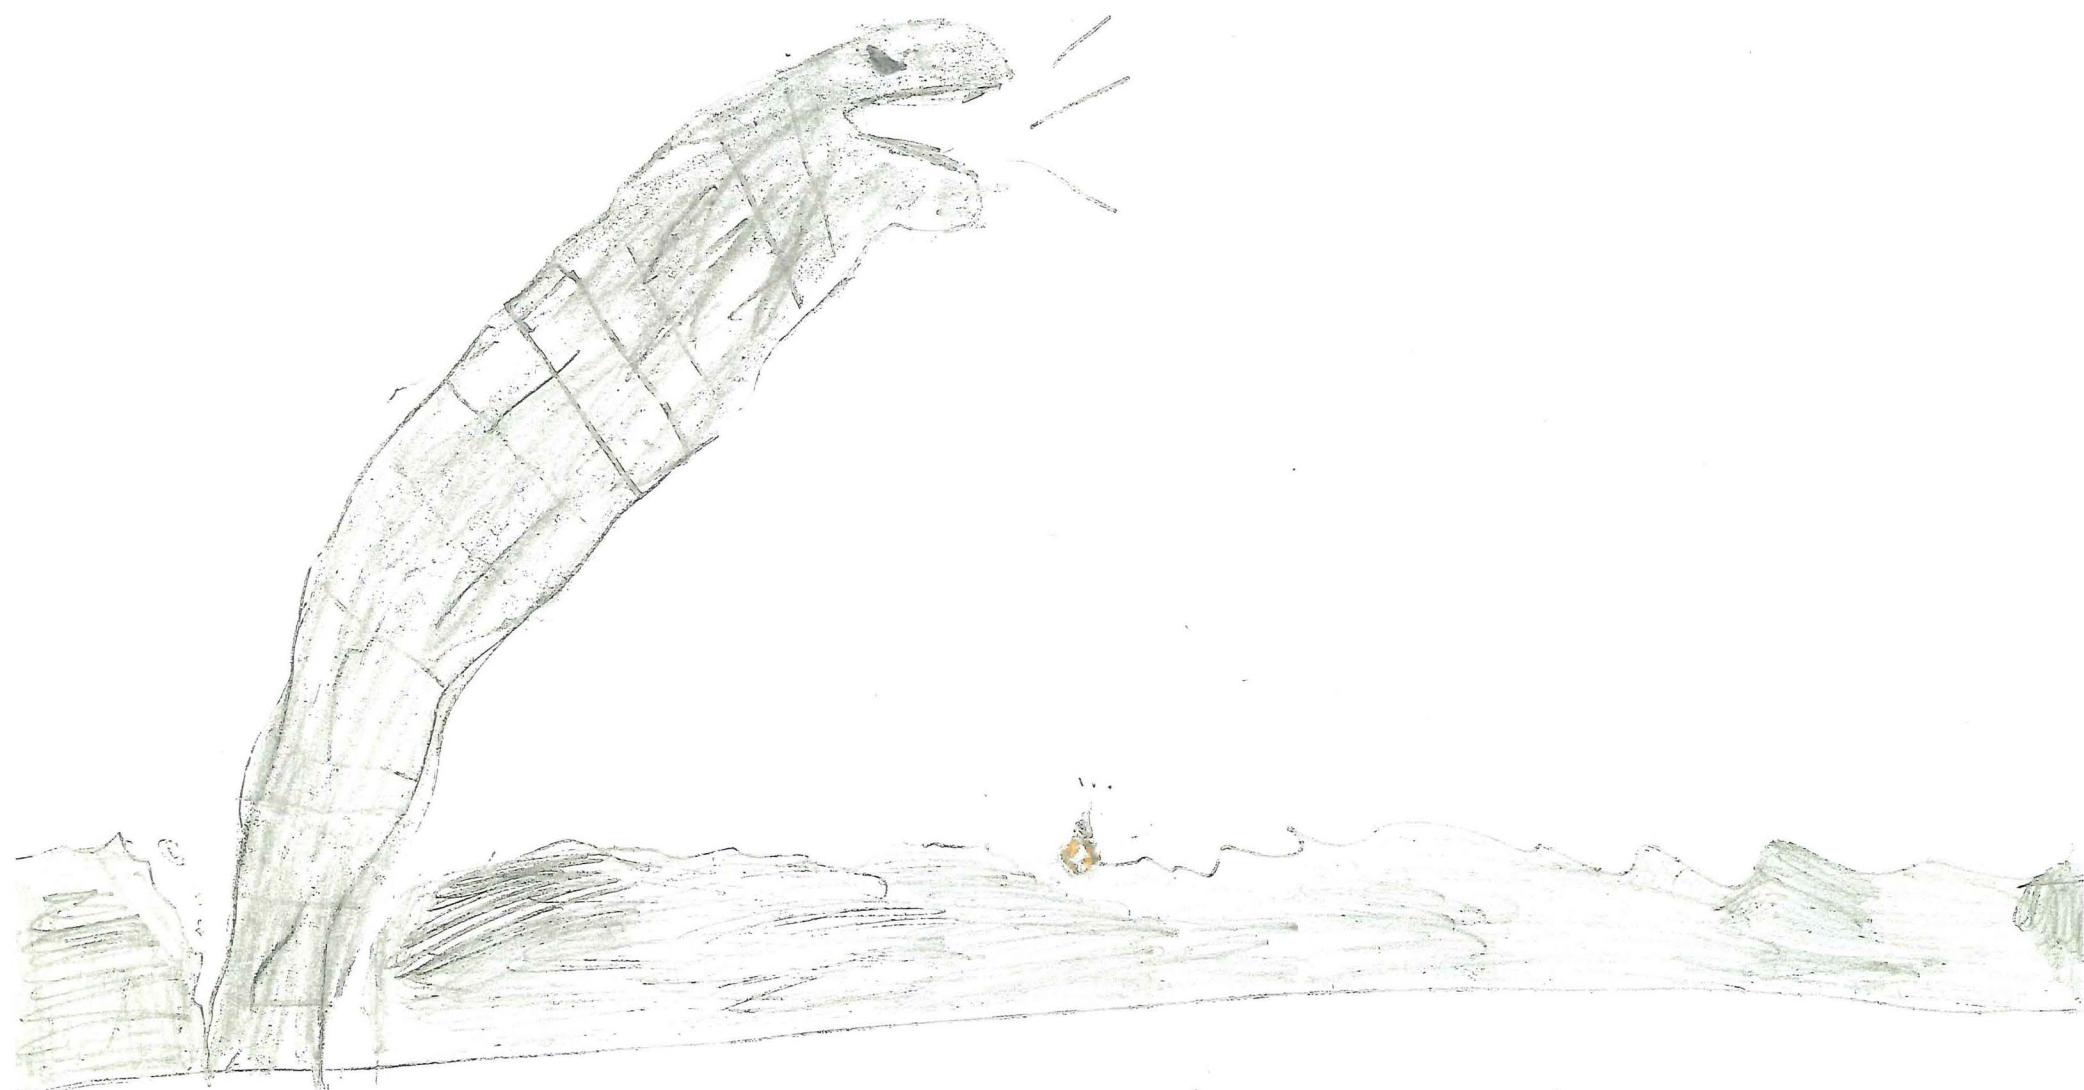

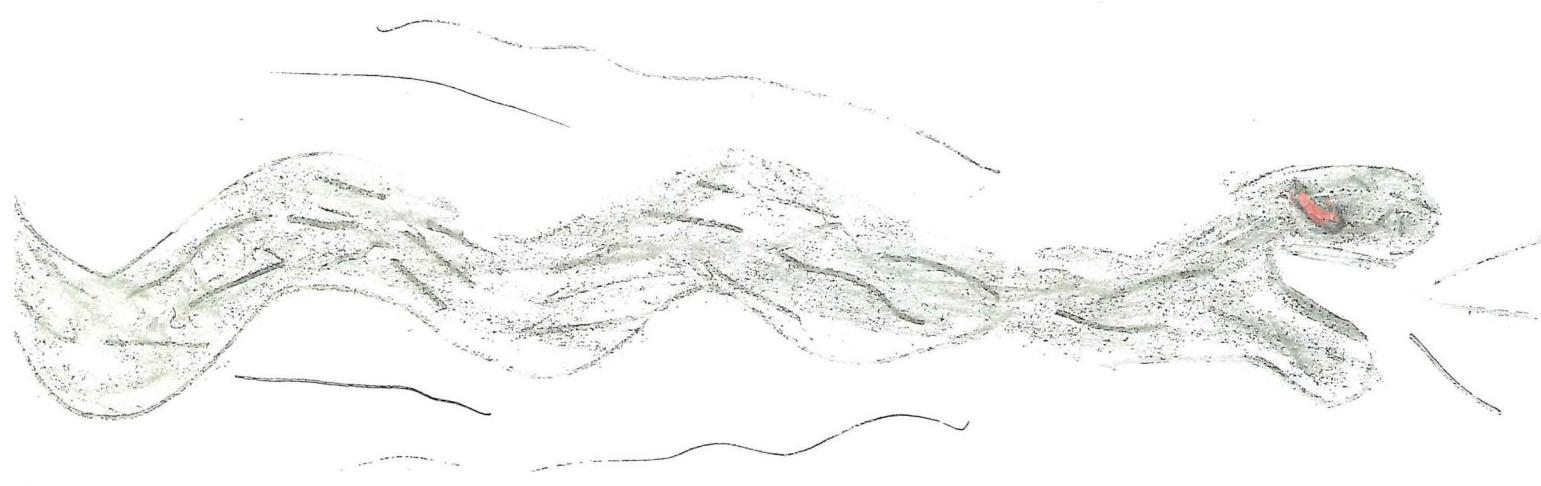

A long time ago, Ridge Lake  
was on a mission to get 8E8 from  
one planet to another. But it  
got into an asteroid field.

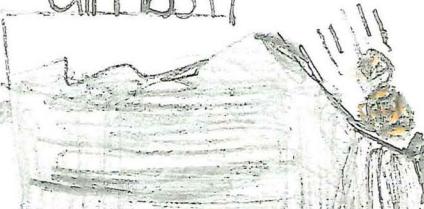

Suddenly the asteroid  
knocked 8E8 off the  
rock and it landed on  
the bid 8788

He crash-landed in a big Steppe and  
a Space Worm tried to eat him.

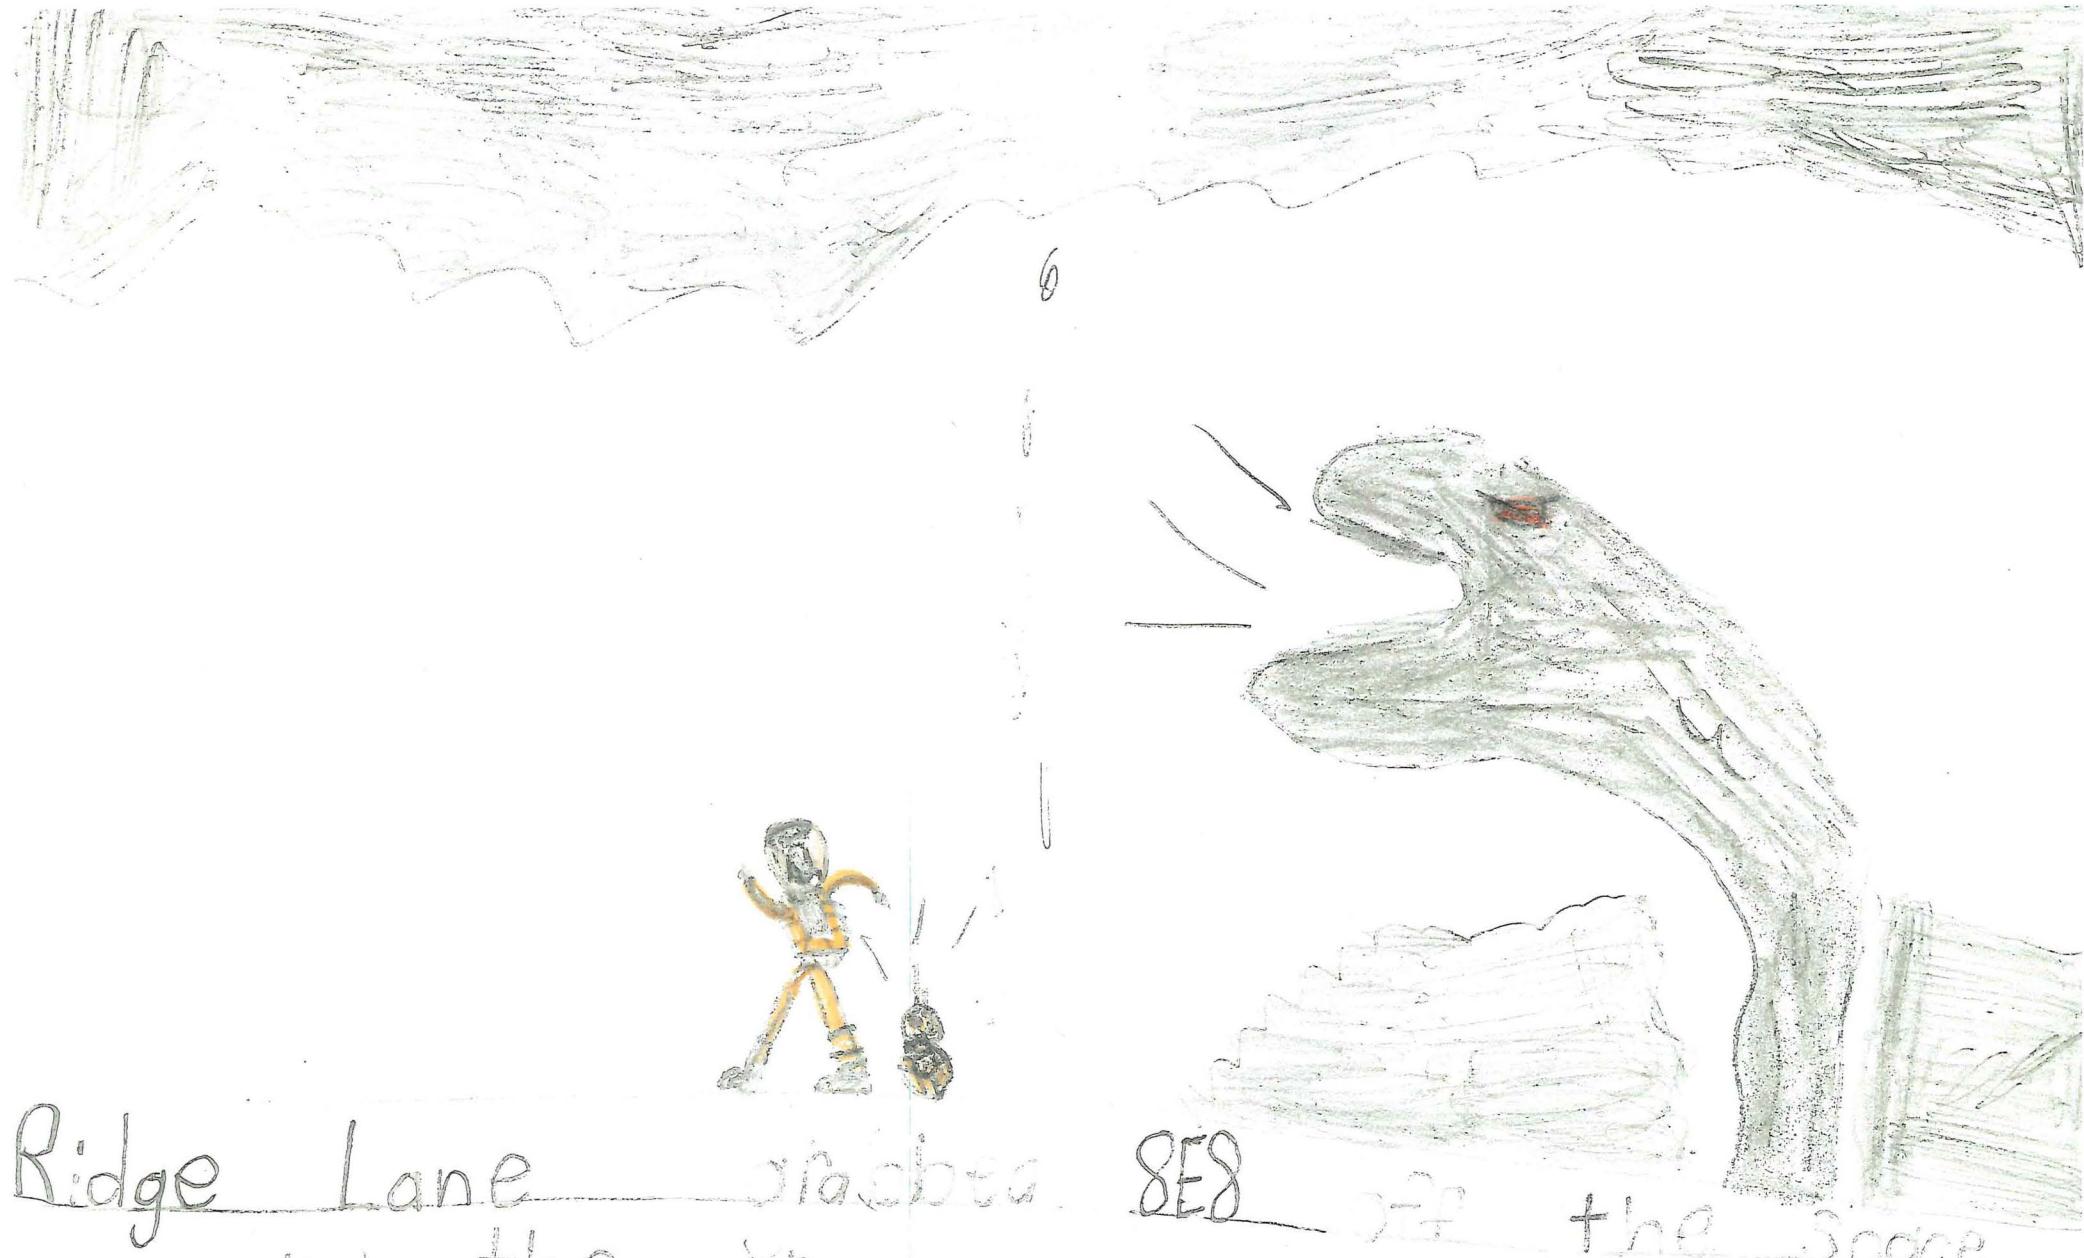

The Pdd and Pan the almost  
fell in to a deep ice

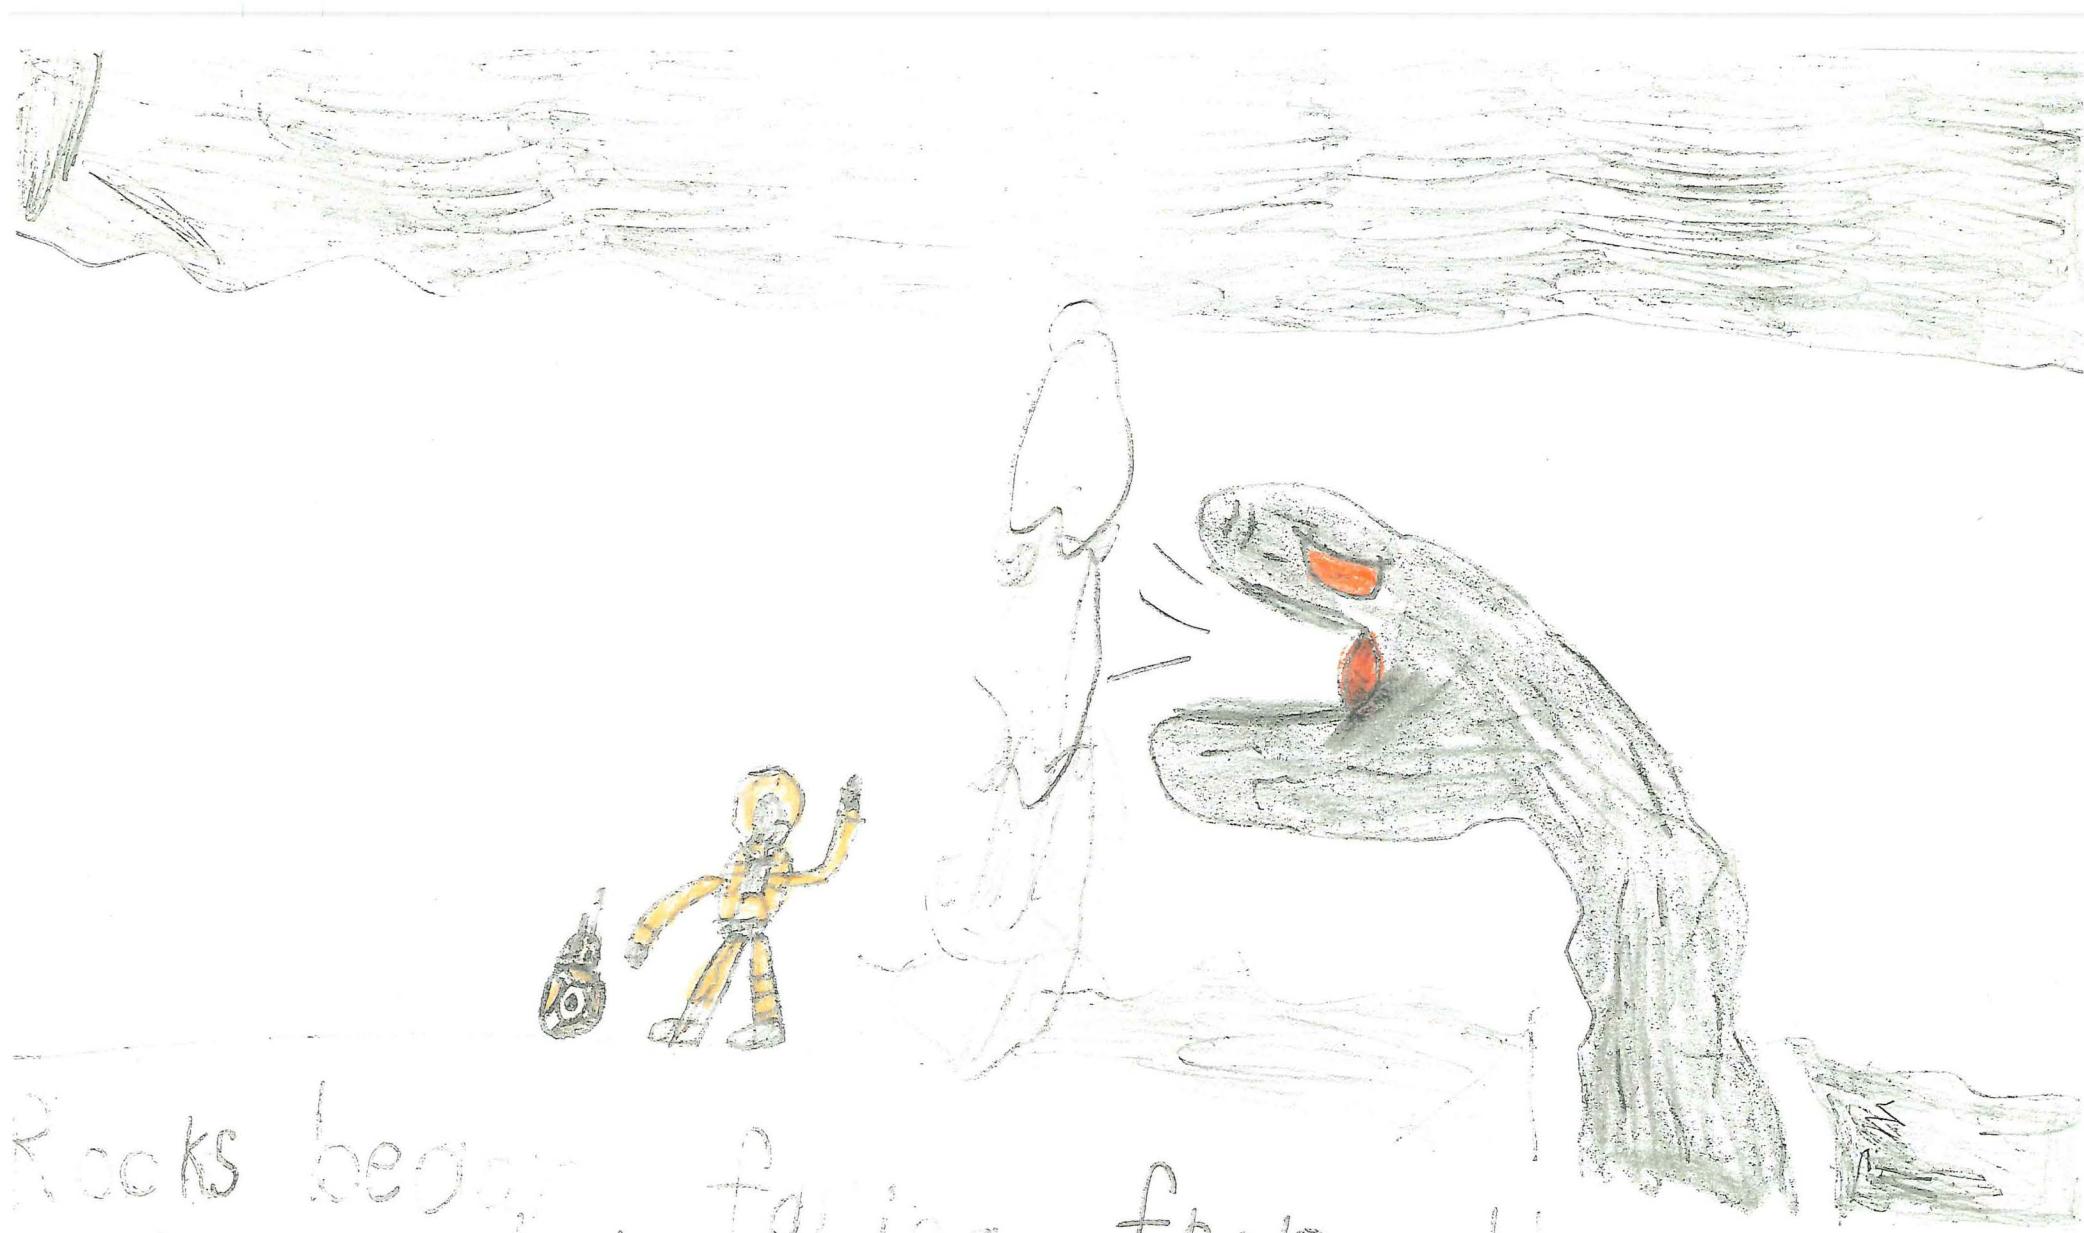

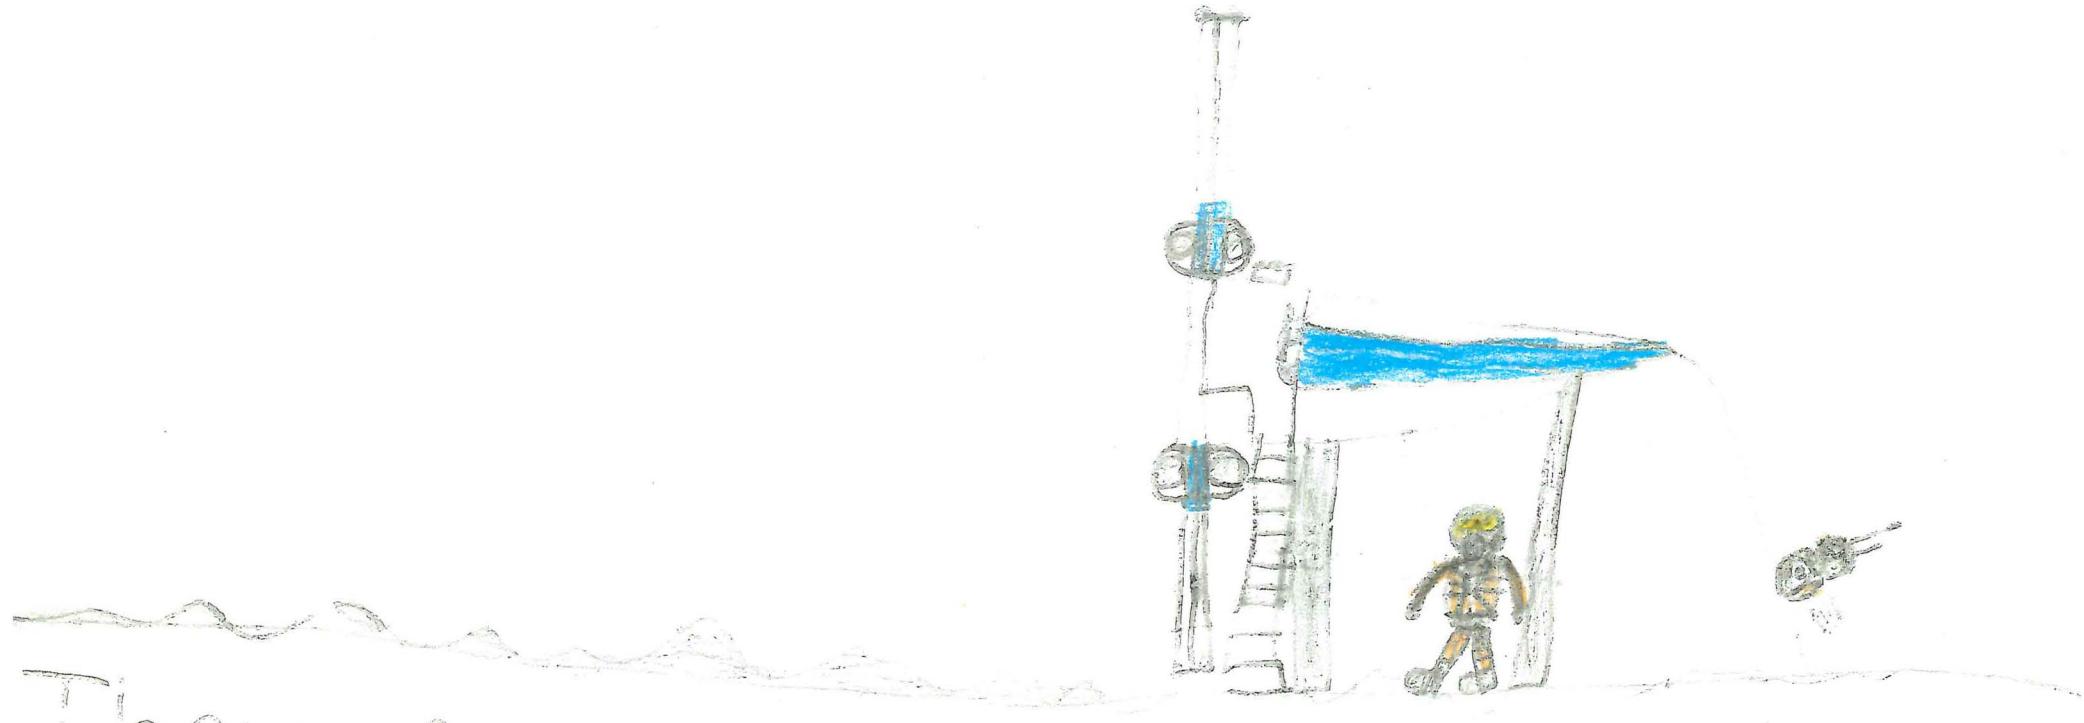

He grabbed the Space Worm's head and  
he kept him from falling in the sea.

Ridge Lane Manitoba S.E. 85 in the space  
from and they go towards the sea

rocks began falling from the tunnel  
and the blocked the Space Worm.

They fall to the ship to get another planet. 8E8

Finally, the other pieces  
were The mission was completed.
