

The Girl Who Loves Books

One day, Nelly was in her room reading a book. She realized that today was Tuesday. On Tuesday's, Nelly goes to the library. She loves the library just as much as she loves reading books.

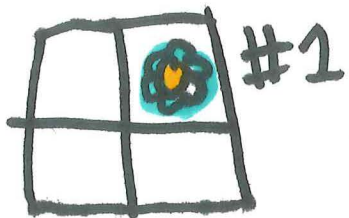

When Nelly gets to the library she takes the elevator down to the children's section.

Clavator

The first stop is the scavenger hunt! It is so much fun! The scavenger hunt takes you all over the children's area so you can explore all the different amazing book sections. Books you might never have seen before!

Fiction

Now the scavenger hunt is over. Nelly looks for books about girls her age who lived a long time ago... annnnd DINOSAURS!!! Nelly picks out all of her books, she checks out. Then goes home.

Dinos

When Nelly gets home, she goes to her room, climbs into her bed and snuggles up with her books. She's in for an adventure!
