

Lying Lizzy

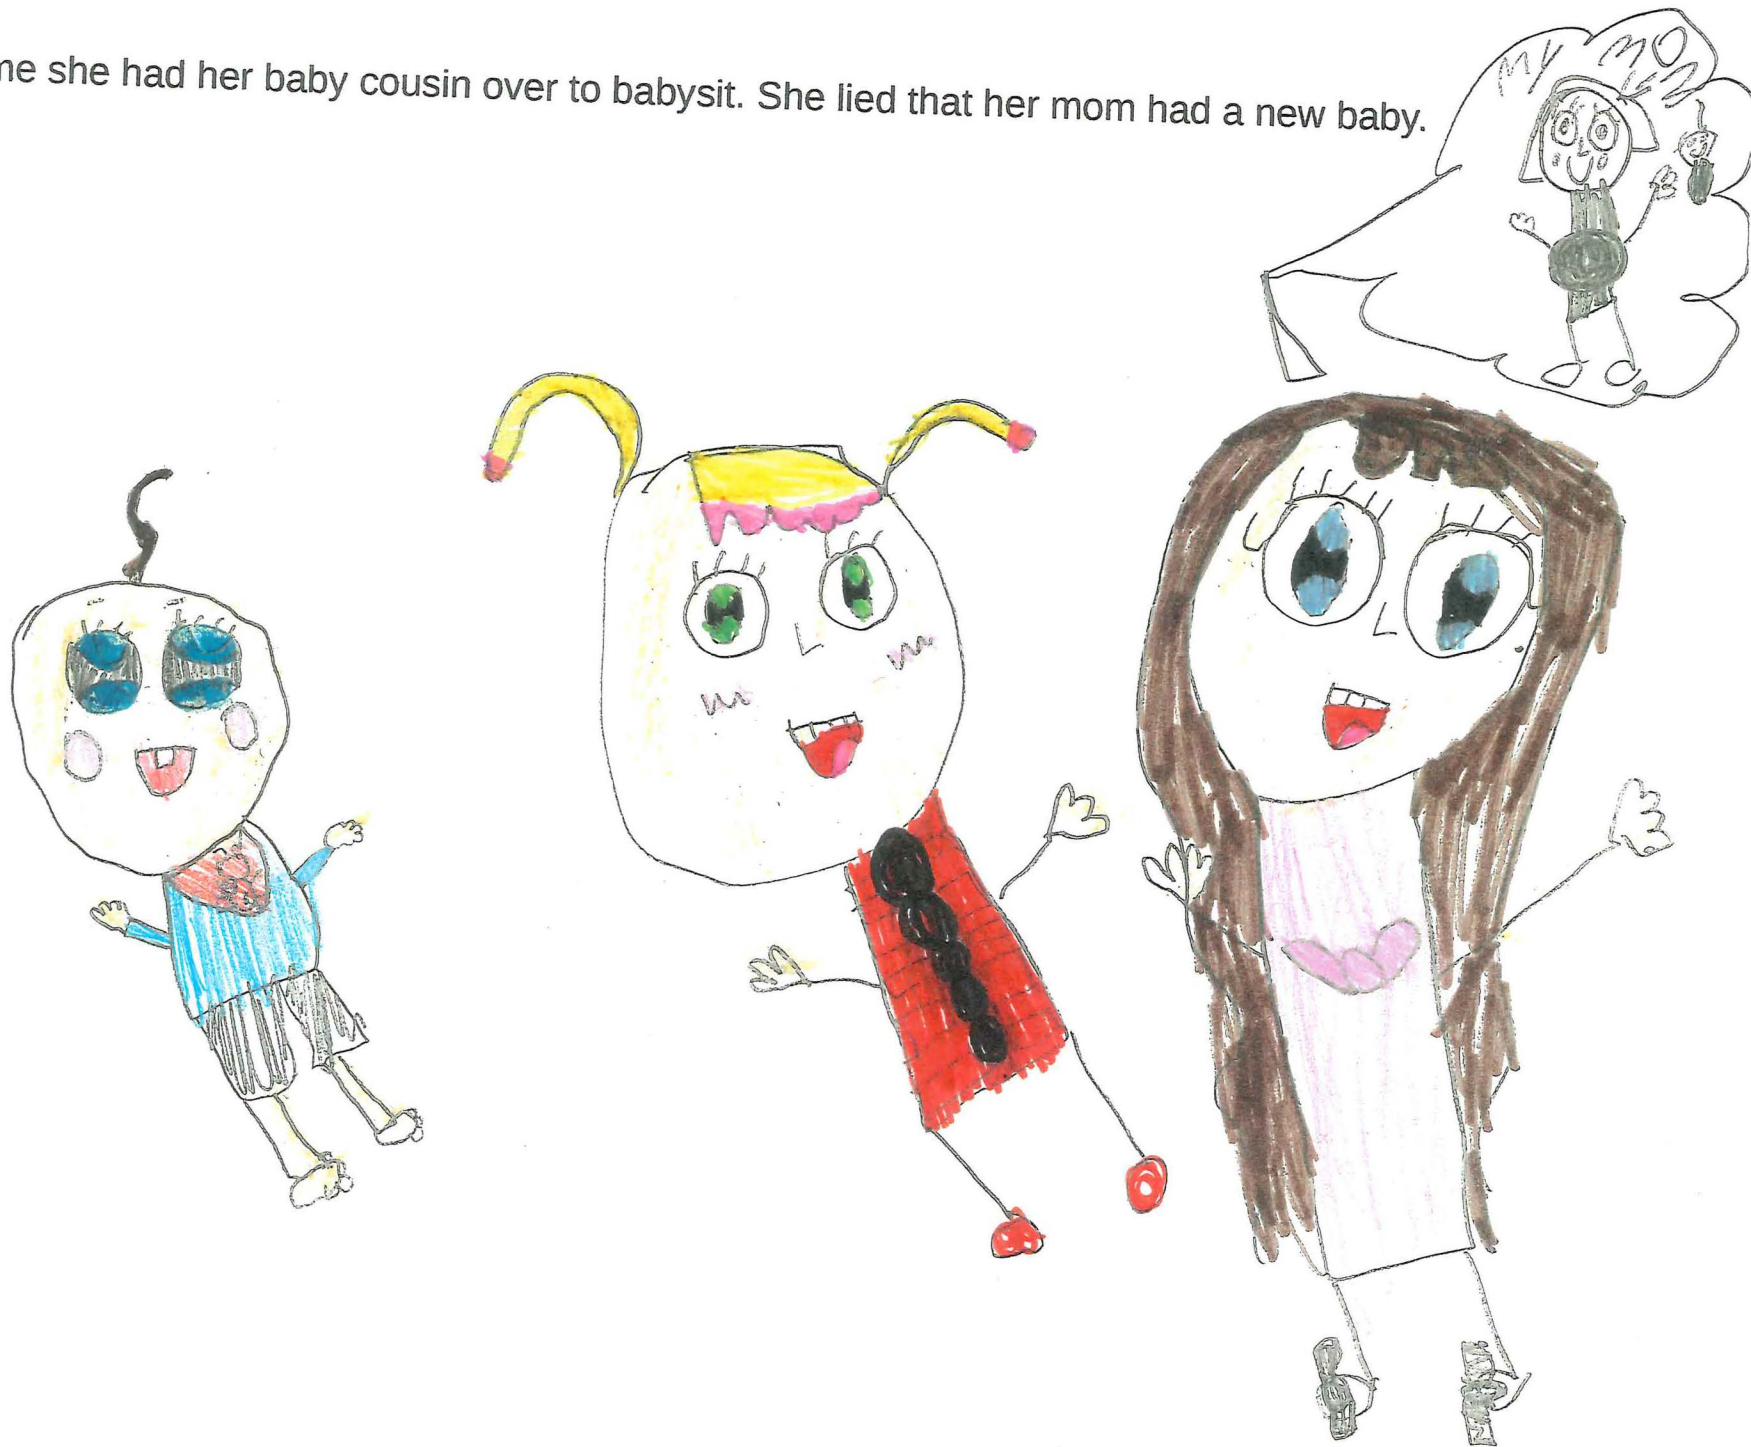

BY: Isabella Posadas

Once upon a time

there was a girl names Lizzy. She lied **way to much.**

One time she had her baby cousin over to babysit. She lied that her mom had a new baby.

Another time she **stole** a cookie from the cookie jar
when her mom said to wait until after dinner.
She lied that she didn't eat one when her mom asked.

Another time she sneaked a chocolate and blamed her brother.
You see she lied way to much!

It was a regular day, Lizzy was at the park with her family.
She was about to swing when something caught her eye.
An adorable little lizard!

She picked it up and hid it in her shirt.

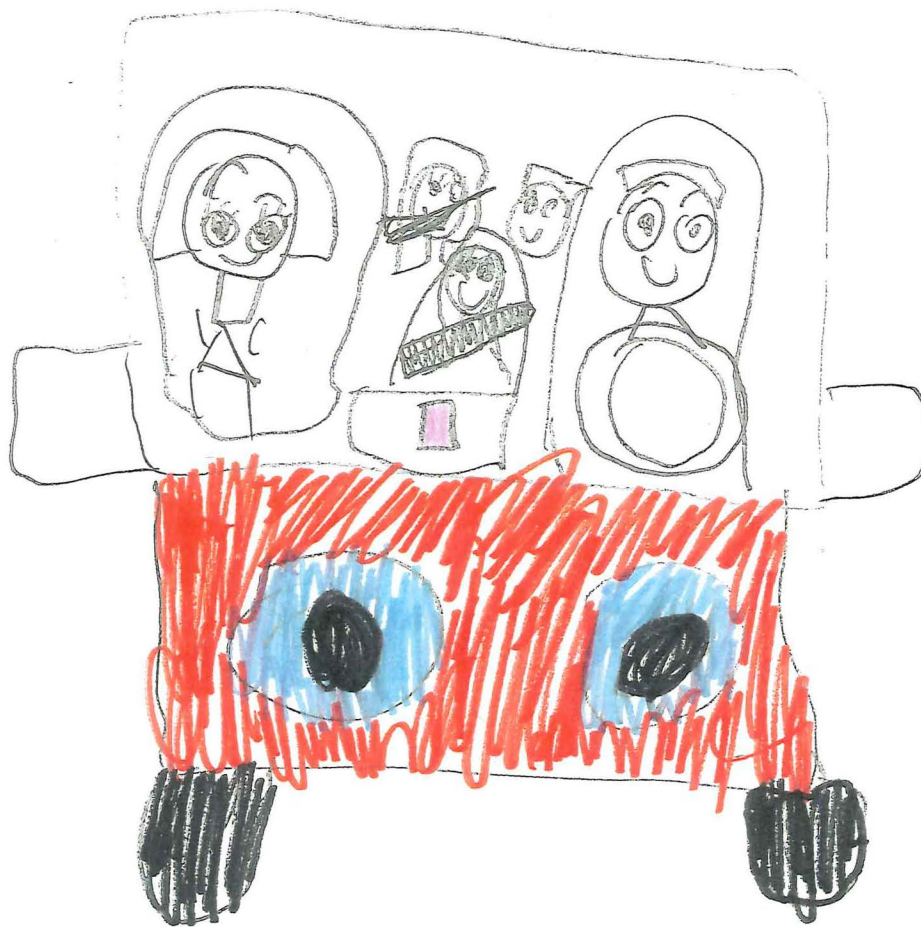

It was time to leave. As they all got into the car her mom asked "Lizzy whats that in shirt?"

You guessed it, Lizzy lied.
Nothing!!

On the way home Lizzy snuck the last piece of bubblegum.
Her mom noticed. Hey, who took the last piece of gum?
Lizzy said, not me!
Instead of telling the truth she blamed her sister.

In that exact moment of her lie something strange happened.....
Her hand started to turn green!

The next day she lied again.... And in that exact moment her tongue came out like a lizard!!!!

The next day she lied again!!!!

This time her skin started to feel rough and scaly.

Everytime she tried to talk her tongue would come out like a lizard!
She thought hmmm every time I lie something weird happens to me. I think I
will stop telling lies!

So she stopped telling lies and something amazing happened!!!
Her hand, skin and tongue all returned to normal.

So she told the truth to everyone and said
IM SORRY.

BUT, then the lizard found Lizzys sister...who loved to tell lies.
Don't forget if a girl lies a lizard could find **YOU**.

The end
