

When It's Rainy

Written and Illustrated by:

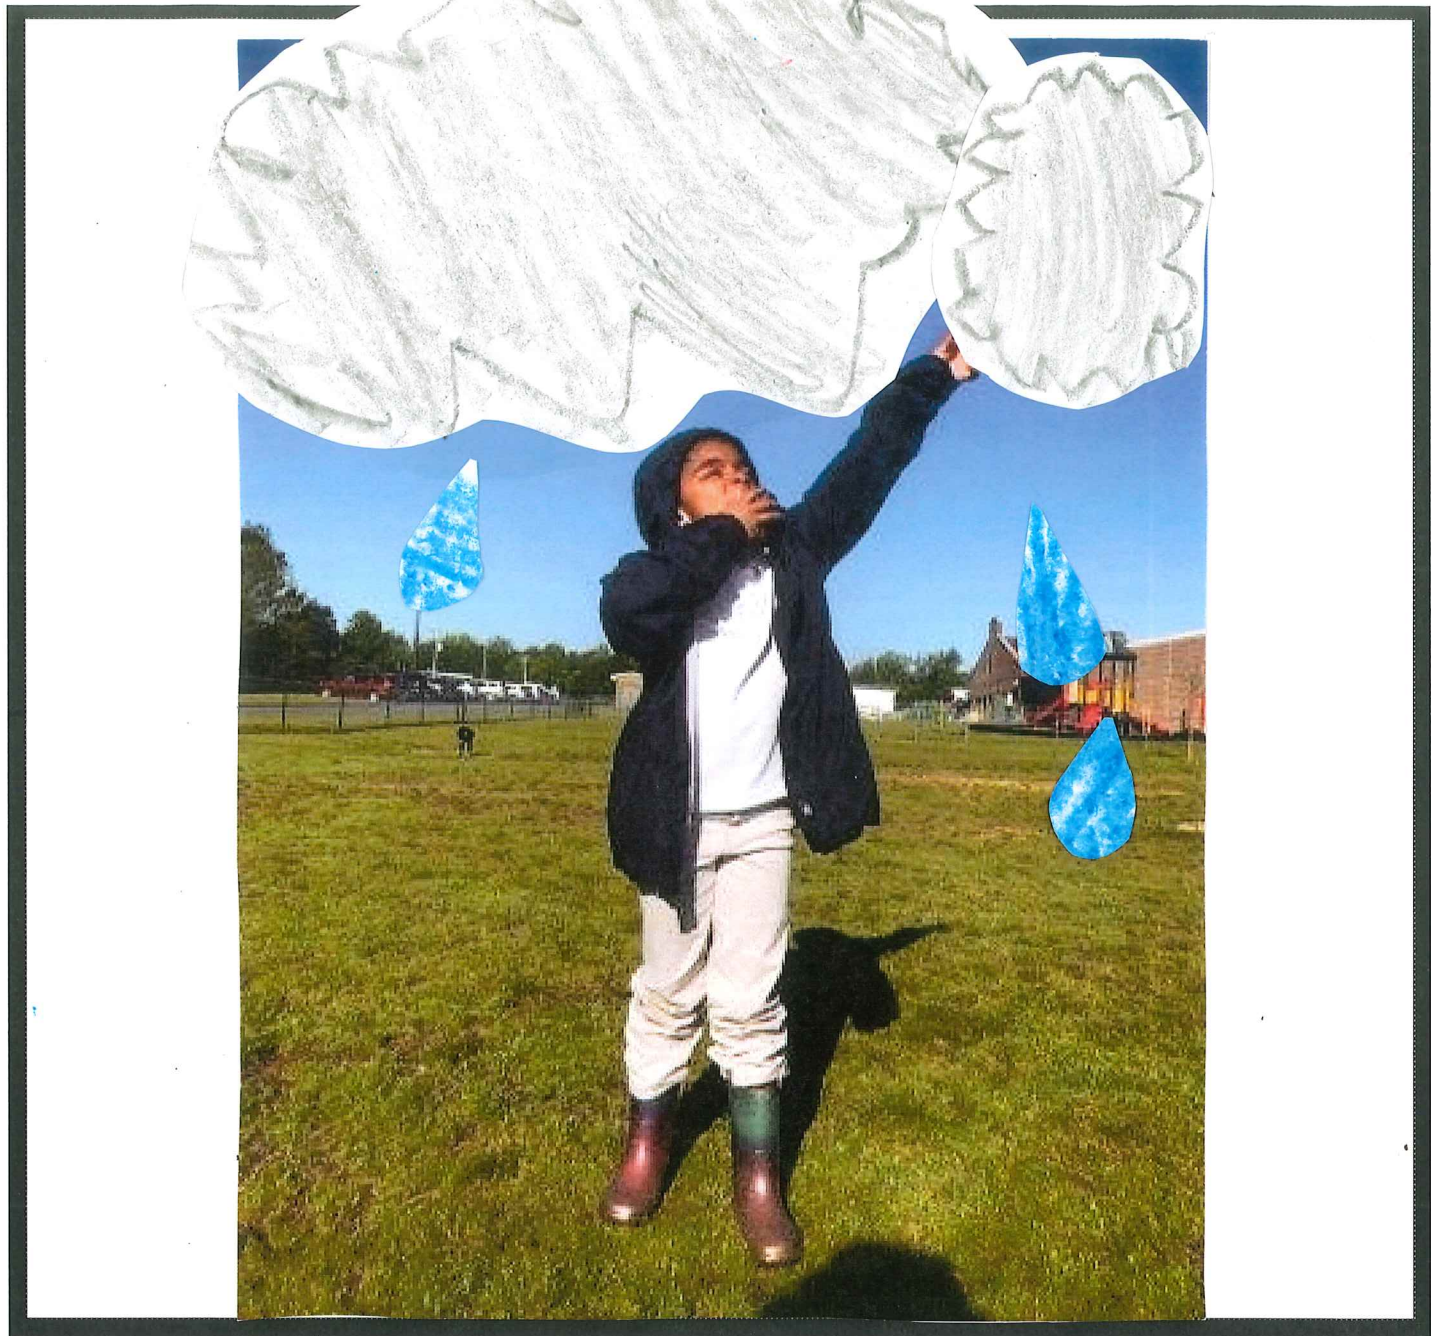

Sabrina Shorty

When it rains I like to,
jump in puddles!

I Will take a Shower in the
rain with my clothes on!

I will eat the clouds!

They taste like fluffy
marsh melose!

I will drink the rain! It

taste like watermelon orange
flavored water!

I will sing and dance
in the rain!

I will go in the house and
fall fast a sleep!
