Once upon a dino.....

It's a week until my Birthday. I can't wait!!!!

All my dino friends are going to be there.

We will eat cake.

I will open my presents and then we will do a pinata.

After that we will do freeze dance and play tag!!!!

I just can't wait until my Birthday!!!

1 week later....

Today is my Birthday, but wait.....

Where are all my friends?

I made the cake....

I made the pinata....

I even set up for freeze dance.

Mike the dino stomped off to the dark living room. He turned on the lights.

SURPRISE!!

All his dino friends roared.

All of his dino friends were there to celebrate  
his special day!
